About me

I am an enthusiastic and motivated individual with a strong passion for personal growth, creativity, and problem solving. With experience in organizational activities and a developing background in Computer Science, I thrive in team environments, enjoy learning new skills, and am always eager to take on challenges that help me grow and contribute positively to the workplace.

My Hobbies include bodybuilding, reading, and hiking.

Education

BINUS UNIVERSITY | COMPUTER SCIENCE **2024 - Ongoing**

Currently studying Computer Science with a strong focus on problem-solving, creativity, and teamwork. Through various projects and group activities, I've learned how to manage time effectively, communicate clearly, and adapt quickly to new challenges. I'm passionate about learning, collaborating with others, and bringing a positive attitude to any work environment.

Work Experience
